Governmental authorities recommend social distancing and limitations on the congregation of groups of people. It is impossible for the community to continuously disinfect all amenities and furnishings in a manner to totally eradicate the potential spread of COVID-19.

By using these amenities and common areas, you voluntarily assume the risk that you or other members of your party may be exposed to or infected by COVID-19 or other diseases such as the flu and that such exposure or infection may result in a serious medical condition, including personal injury, illness, permanent disability or death.
